1. Introduction

This document summarizes the information required by participants in the Mountain Bike Marathon World Championships taking place on the Grand Raid BCVS race.

2. Prestation of the event

Grand Raid BCVS, Swiss Mountain Bike Race Marathon has been thrilling bikers since 1990. This marathon will take you from Verbier to Grimentz.

It is renowned as one of the most challenging mountain bike races in the world. Located in the heart of the Valais Alps, in an alpine playground, the route crosses various valleys, culminating in the Pas de Lona, at over 2,700m.

2.1 World Championships

The 2025 UCI Mountain Bike Marathon World Championships will take place in Valais, Switzerland.

Starting from **Verbier to Grimentz**.

SPECIAL GRAND RAID BCVS 2025 :

Elite riders will take part in the Grand Raid BCVS on the same day as amateurs.

The start in Verbier will be a few minutes earlier, so they will start earlier. They will therefore race on the same day with almost 1,500 participants.

Other riders will be also present at the smaller starts in Nendaz - Hérémece and Evolène, with one and unique finish in Grimentz.
